Evan:

I will see that copies of  
this go into the personnel files  
of those members of the Wire  
Services Staff who handled these  
requests from Treasury.

I have also written a  
commendation recently for the  
Wire Service Duty Officers for  
their fine handling of a number  
of crises in the past several  
months, and their alert response  
to consumer requests.

MEMORANDUM FOR:

STAT

Director  
Foreign Broadcast Information Service

SUBJECT: Commendation

This past weekend we had two occasions to call upon the FBIS wire room for support -- the inauguration of President Garcia in Peru and the Japanese Action Plan. We were particularly interested in obtaining the highlights and text of Garcia's inaugural address because the Secretary of the Treasury led the U.S. delegation to that event. In the case of the Action Plan, a White House official asked me to arrange for the rapid reporting on the Plan as details were released. Treasury as well as others also needed this information in order to prepare for an Economic Policy Group meeting on 30 July.

We are indebted to your staff for its outstanding support on both of our weekend requests. Please convey our appreciation to all those concerned.
